JOM CUTY

What is a Partner Page?

Dedicated Marketing Page for YAS Partners

- A partner page is a dedicated web page provided by YAS for our partners to tell their story.
- Market products and services to the YAS community.
- Setup and manage your activity and event registration.

Activity Management with Insurance

- Partners can turn on an activity registration module and seamlessly integrating our insurance into your activity.
- The activity registration module can be combined with ACTYVE Insurance to cover participants for Medical Claims and loss/damage of personal belongings.
- YAS will take care of any insurance claims after the event.

Learn More About The Three Locations of Glamping Park Travel & Tours

Gopeng Glamping Park

Discover the ultimate glamorous camping experience at GL@W, nestled in the serene Wetland Putrajaya, Precinct 13.

Prepare to embark on an unforgettable journey surrounded by towering trees, where tranquility meets adventure.

GL@W Camping @ Wetland Putrajaya

Located in Wetland Putrajaya, Precinct 13, Glamping @ Wetland Putrajaya (GL@W) is one of the best glamorous camping experiences!

Surrounded by tall trees, GL@W also offers a number of activity options from a quiet and relaxing retreat. There are also extreme activities, for those who enjoy extreme activities.

Learn More About The Exciting Activities at Waterfly Borneo

Kite Surfing

So you want to learn to kitesurf? Waterfly Borneo offers an excellent introduction to kitesurfing class, led by their experienced instructors, you will receive tutorials on the safety functions of the kite before getting some beach time to learn to control one of our trainer kites.

Once mastered, you can go enter the water and put your skills to practice, and feel the rush of getting pulled through the water, powered by nature. All safety and kite equipment will be provided including a safety harness, buoyancy vest, and trainer kite. Just bring your own sun protection including a long sleeve UV shirt, hat, and some sunscreen

E-foil

Experience the thrill and excitement of flying on the water by signing up for our e-foil (electric hydrofoil) flyer experience. This is totally unique with Waterfly Borneo being the first e-foil operator in Malaysia!

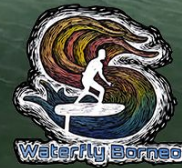

Let our instructor guide you through the safety requirements and practical tips on how to take off and fly on a hydrofoil. We provide all safety equipment including a buoyancy vest, and helmet and we even have an inflatable flyer pod to help you fly safer sooner.

Lessons go for approximately 2 hours including a safety briefing and 90 minutes of flight tutorial in the water.

What do our partners say?

The partner page provided us with a seamless registration process for more than 500 participants.

We had a few crashes but thankfully all of the participants were covered by YAS and we didn't need to get involved in the claim process.

Yim Wai Soon, Bike Bajaj

The YAS Partner page module allows our customers to get JOM CUTY insurance in just a few simple steps. This partnership provides all of our guests with the comfort of being protected during their Water Sports activities!

Mitch, Waterfly Borneo

Within a day we had our 4 partner pages setup and now our guests can enjoy the benefit of being insured with JOM CUTY while doing their activities in one of our outdoor adventure locations. This provides peace of mind as we want to showcase that we are the safest outdoor and adventure park in Malaysia, an extra USP for us!

Shahrul Adnan, Gopeng outdoor and Adventure Park
